Sir,-

W. ¼ of Sec. 28 Tp. 67 Rge. 23 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Napoleon J. Boutin, Esq.,
Grosmont,
Alberta.

Your obedient servant,

P.S. You should communicate with the Agent of Dominion Lands at Edmonton in regard to the quarter-section you wish to secure as your second homestead and he will inform you whether the land is vacant and available for entry.

Your request to purchase a portion of the W.½-28-67-23-W.4th M. will be dealt with in a separate communication.

Dear Sir:

Re: N.E. 19-36-6-W.5th.

This Department has an old account against the above noted land for advances of seed grain to John Baxter Bank in 1918. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

A return addressed envelope which does not require a stamp is enclosed for this purpose.

Re: Account of John Baxter Bean
N.E. 19-36-6 W. 5.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1918 seed grain amounting to $112.50 was advanced to John Baxter Bean on the security of the above mentioned land. A payment of $50.00 was received in 1925, and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$103.88	$148.12	$252.00

Patent was issued in the name of John Baxter Bean for the N.E. 19-36-6- W. 5 on the 26th of January 1921, subject to the 1918 lien.

This quarter section is of low assessed value and is described as having about 24 acres of arable gravelly river silt, the balance sand and gravel, spruce, poplar and willow. The original debtor is now deceased and several times in the past this parcel has been under tax difficulties. Tax sale notice was again issued in 1948 but apparently the municipality has not considered the land of sufficient value to acquire title and there is now an accumulation of arrears of taxes amounting to $60.15 outstanding against it.

The information obtained indicates that the land is such that it no longer offers any security of value for our lien. Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the lien discharged.

W.J. Taylor.

Ottawa, 2 November, 1954.

re: Account of John Baxter Penn
N.E. 17-32-5 W. 2.

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment and the liens discharged.

Sir,-

.f. ¼ of Sec 12 Tp. 81 Rge. 4 West 6th Mer.

Referring to your application for the privilege of taking a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Charles Mountain, Esq.,
Vanrena,

Your obedient servant,

P.S. The right of entry conveyed by this letter must be exercised prior to the transfer of the Resources, which will probably take place in the case of Manitoba on the 15th instant and the other Western Provinces on the 1st proximo.

MEMORANDUM.

Ottawa, 12th Feb. 1914

Mr. Sheppard.

Please refer to the land described by the Rev. Charles R. Weaver in his declaration before the H.B. Commissioner of 1899, on file 27-5-5405 herewith, and say if it corresponds with Lot 13, Wabasca Settlement, now applied for by W. Rennison on behalf of the Church of England Mission.

Lot 11 appears to be claimed by the H.B. Co. (File 302175-6) and lot 12 by Raymond Carin (File 302175-4), but no squatter's declaration appears to have been made by the Church of England Missionary.

MEMORANDUM:-

Referring to your memorandum of June 9, file 3085749 herewith, Wabiskaw Lake settlement was surveyed last year by Mr. G.J. Lonergan, D.L.S.

According to Mr. Lonergan's returns, the land which corresponds to that described by the Rev. Charles R. Weaver in his declaration before the N.W. Commissioner in 1899 is lot 19 and not lot 13.

A tracing of part of Mr. Lonergan's plan of the settlement is attached hereto. According to this plan lot 17 is shown under the name of A. Robertson. This is probably the same person as the H. Robinson referred to in Mr. W. Hemmison's letter of November 17 last.

No statutory declarations have been received for either lot 19 or lot 13.

According to the information in this office, these lots are situated approximately in the northwest quarter of section 31, township 80, range 25, west of the Fourth Meridian.

Files. Files 2180787 and 2755405 are also herewith.

Mr Cote

The Agent at Prescott referred here on the 9th January last a letter from Mr. Rennison, of Athabasca Landing enquiring whether the rights of Rev. H. Robinson to Lot 13, Wabuskaw Lake Settlement, can be transferred to the Church of England.

Rev. H. Robinson claimed before the Treaty Commission of 1899 a land in that locality which may be identified with the said Lot 13, although Surveyor Lonergan gives the name of the claimant thereof as H. Robertson

The land claimed for by the Commissioner Rev. C. H. Weaver, on behalf of the C. M. Missionary Society, is Lot 10 of the above Settl.

Re claim of the Church Missionary Society of the Church of England and Mrs. Catharine Auger to Lot 13, Wabiskaw Settlement, 8.38 acres.

Sir:-

On account of the conflict in this case it appears necessary to obtain a further report on the claimants to this lot, setting forth in detail the occupancy and improvements made by each and ascertain which part of the lot is claimed by Mrs. Auger, giving, if possible, a measurement whereby a line might be drawn dividing the parcel.

It would appear that the Reverend W. Robinson bought a part of this lot from one, John Laboucan, and that the Mission now desires that the rights obtained by Mr. Robinson be transferred to the Mission which is using the parcel in question.

A full report on the status of this John Laboucan should be obtained, and in order that consideration be given to the claim of the Mission, a transfer from Laboucan to Mr. Robinson showing that the property was bought from him under his claim as an occupant at the time of the extinguishment of the Indian title in 1899, and a transfer from W. Robinson to the present missionary representing the society should be filed here.

Dear Sir,

Mr. Griffin (Dominion Homestead Inspector) has lately visited Wabasca Settlement, Alberta, and viewed the claims of settlers to their Lots.

Re. Lot 13, Wabasca Settlement, my Mother Katherine Absey a (Widow) was the first squatter on Lot 13, and I wish to file a claim for this Lot on her behalf. I am a returned Soldier and my Mothers only support, our intentions are to build a new house on this Lot and continue living there.

During Mr. Griffins visit here we approached him on this subject and he told us he could not give us the right to Lot 13, but would get us another. We cannot understand his actions in recommending Mr. Schmidt (A newcomer to Wabasca) for this Lot, as he has no claim whatever to Lot 13, and should Mr. Griffin see fit to give us the right to a Lot in Wabasca we fail to see why we should not recieve our original Lot 13.

I sincerly trust you will consider our claimas embodied,

I remain,

Yours truly,

Edward Absey

of the English Mission who informed me that he personally did not consider that the E.C.Mission had any need for this land. It has not been lived on for years.

Mrs. Auger is very old and entirely dependent for a living on her son Eduard, who is a returned soldier. In view of the fact that Mrs. Auger has lived here for the past twenty-five years and has no land in the vicinity I would strongly recommend that she be allowed a free grant for all of this lot.

She is an Indian woman but does not take treaty.

Her son makes a living by trapping in the winter months and working on the river on the transport in the summer. He served for two years at the front in the late war.

Robinson left the vicinity in 1907 and has never returned."

I concur
H.S.Gladstone
Jan 28/41

As Mrs. Auger is an Indian woman, a reservation of this lot for her during her occupancy thereof might be made in accordance with the agreement between this Department and the Department of Indian Affairs.

MEMORANDUM:-

W.G.Gliddon, Esq.,
Assistant Controller.

Lot 13 Wabiskaw Settlement.
Area 8.38 acres.

I beg to submit for your consideration the claims of the Church Missionary Society of the Church of England and Catharine Auger to the above mentioned lot.

This lot was formerly claimed by Rev. C.R.Weaver on behalf of the Church of England Mission on the ground that Rev. H. Robinson, formerly missionary of that place, holds squatter's rights of this lot. Mr. Robinson he states, does not desire to exercise his rights.

The Homestead Inspector's report dated the 29th June, 1915, was received which reads as follows:-

"Name of homesteader..Catharine Auger.
Not in residence.
Residence performed from 1904 to 1907.
Improvements:- Very old log house 28 x 14, Value $25.00
Lean 12 x 12, Value $12.00
Stable 15 x 18, Value $20.00
Storehouse
2 acres cropped in 1915, Value $20.00

General Remarks:- Felix Auger occupied this land from 1887 to 1895 the year he died. Then Catharine Auger his widow sold the house to H.Robinson in about 1905. This widow, Catharine Auger claims half of the lot. She stated she had never sold the land to H. Robinson Only the house. A part of the piece of land contained in lot 13 was bought by H. Robinson from John Laboucan in about 1904 or 1905."

A further report dated the 15th March last has been received in connection with this lot. It shows that Catharine Auger is the claimant, that she is not in residence and that the improvements on this land at the present time are practically of no value. Mr. Robinson purchased the improvements on this land from Mrs. Auger. At the time of this purchase Robinson had left the English Church Mission and was trading for fur, etc. The Homestead Inspector further states:- "I interviewed the Rev. C. White

I am only today in receipt of your folio 309[illegible] dated April IO, 1922, and wish to state that Mother and I are residing on Lot I3, Wabasca Settlement, that I have a new house under construction on the above mentioned lot and building timbers out for a barn.

Last spring it was necessary for us to leave Lot I3 to secure a living consequentl. were unable to cultivate our garden but rented it to Otto Schroder for the sum of $5.00.

I am under the impression that Otto Schroderwho is in possession of Lots I5 and I6 has put in a claim for Lot I3. I wish to state that Mother squatted on this parcel of land over twenty years ago and that her squatting rights are respected in Wabasca except by the above mentioned Otto Schroder who is a late comer and has no possible claim whatever to Lot I3.

I would mention again that I am a returned soldier and Mothers only support.

I beg you to consider Mothers claim on Lot I3 and that she may secure a patent fot the same.

LAND PATENTS BRANCH

OTTAWA, 14th March, 1924.

Sir,

re Lot 13, Whiskey Settlement, Alberta.
Area .31 acres.

With reference to your letter of the 13th January last, in which your occupation is described as fire-ranger, I beg to say that since the sale to you was authorized it has been ascertained that you are a permanent seasonal employee of the Forestry Branch, being so employed six months of the year during the past five years, and that you are, therefore, debarred, under section 4 of the Dominion Lands Act, from purchasing or acquiring any portion of Dominion Lands, except under authority of an order of the Governor in Council.

Before steps are taken to cancel this sale, in which case the money paid on account thereof by you will be refunded, the Department should be furnished with any representations you wish to make in the matter. You should state, also, for what purpose you require this land.

Your obedient servant,

[illegible]
Controller.

Re Lot 13.Wabasca Settlement, Alberta
Area 8.38 acres.

Dear Sir:-

I beg to acknowledge the receipt of your letter as above.

Your decision not to let me purchase the [illegible], is causing me great inconvenience, as I have not got a place to put in my garden, and I was figuring on, moving on to the lot in question this month.

I have already paid $135.00. for improvements, also $21.00. for fence wire and $20.00. for fence posts.

There is only three acres on the lot that can be cultivated, as the rest is all swamp and muskeg.

I am a married man with a family and as I did not own any land, although I am entitled to it, and I was going to move into the lot at once, as I have made considerable improvements to the house, so as to enable me to get a garden put in.

It is true that I am employed as a fire ranger, but I do not know how long my job is going to last, and I would like to have a permanent home.

I would be favoured if you would reconsider your decision, and advise me as soon as possible.

Yours truly

John Graham

MEMORANDUM:

COMMISSIONER
JUN 17 1924
DOMINION LANDS

Mr. Cory.

Re Lot 13, Sabiskaw Settlement, Alberta,
Area 8.38 acres.

Please see Mr. Sheppard's memorandum of the 22nd ultimo, on file 3095749, herewith, your reference No. 6104, in connection with which you ask for my views.

Mr. Graham has incurred considerable expenditure in connection with this property. In view of this fact and also that his application would appear to have been made in good faith, and as he is only a seasonal employee of the Forestry Branch, I concur in Mr. Coté's recommendation that a memorandum to Council might be prepared authorizing a sale of this lot to Mr. Graham on the terms as already stated.

Commissioner.

25th June, 1924

To His Excellency

The Governor General in Council.

The undersigned has the honour to report that Mr. John Graham of Wabasca, Alberta, has made application to the Department of the Interior to purchase Lot 13, Wabiskaw Settlement, Province of Alberta, containing an area of 8.38 acres more or less, and that he has tendered payment of $41.90 for the land, being at the rate of $5.00 an acre. Mr. Graham is a permanent seasonal employee of the Forestry Branch of the Department of the Interior, he being employed as a fire ranger for about six months during each year.

An Order in Council dated the 14th July, 1919 (P.C. The applicant has represented to the Department that he is a returned soldier and a married man with a family, also that he has purchased the house placed on the lot by a previous occupant and that he is desirous of securing the lot for a permanent home.

The undersigned is of the opinion that in the circumstances this application should be given favourable consideration, and he therefore begs to recommend that notwithstanding the fact that the applicant is a part-time employee of the Government of Canada authority be granted for the sale to him under the provisions of the Order in Council of the 14th July, 1919, referred to, of said Lot 13, Wabiskaw Settlement, containing 8.38 acres more or less, at the rate of $5.00 an acre.

Respectfully submitted,

Minister of the Interior.

Sir,-

S.½ ¼ Sec. 32 Tp. 36 Rge. 7 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patents for their homesteads, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

According to a recent inspection and report made by an official of this Department you are not in a position to make a successful application for patent for your homestead and pre-emption above described and are in default both as regards residence and cultivation.

Apparently the only residence performed was from April to September in the years 1914, 1915 and 1916.

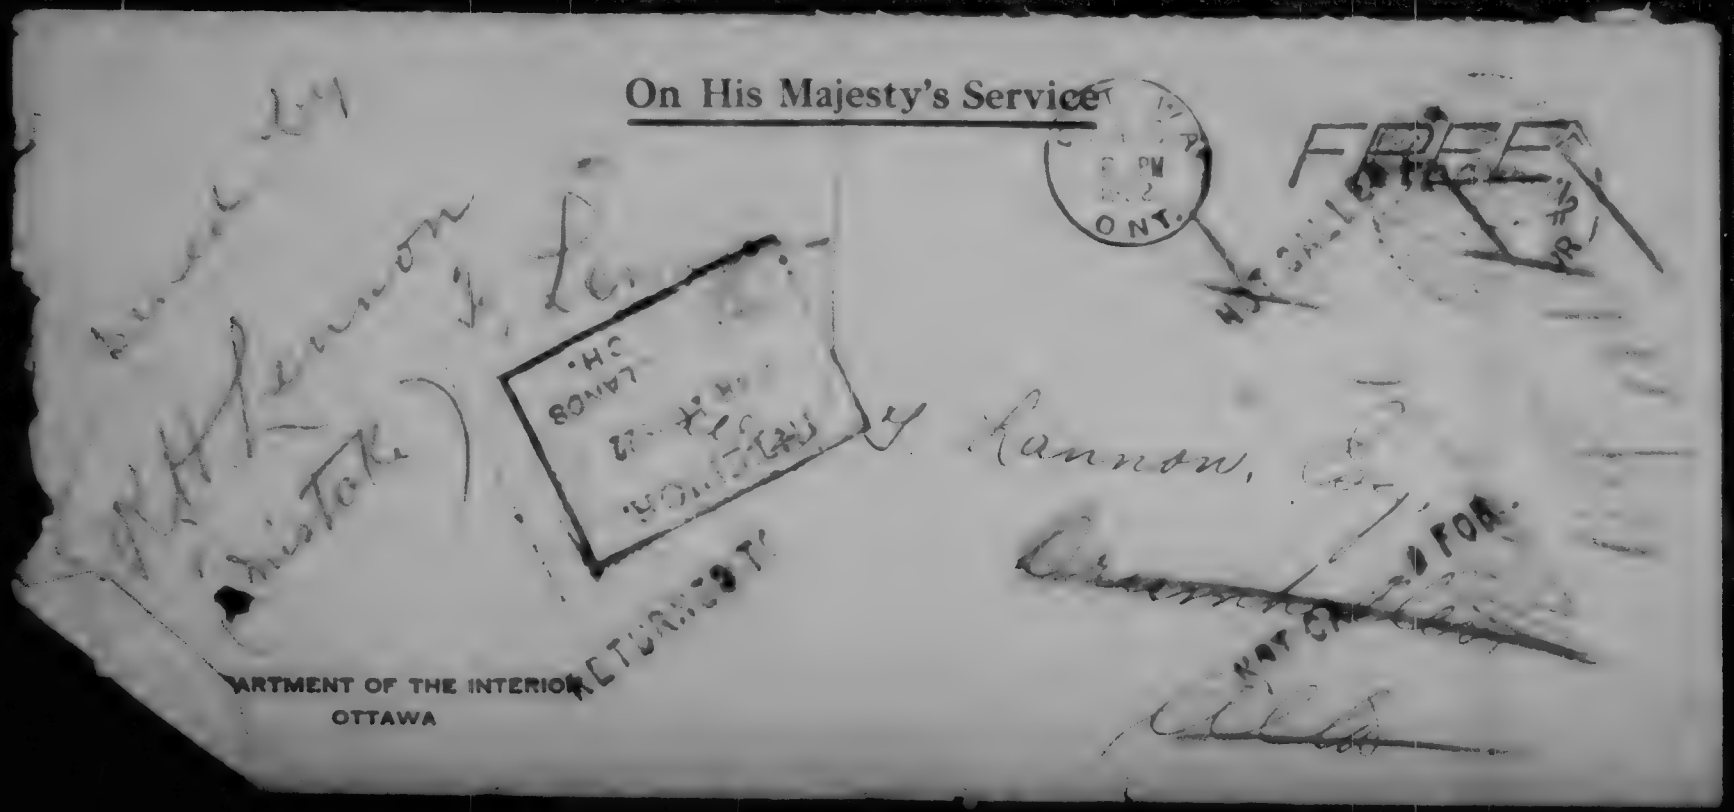

You were given credit for a total of seventy acres of breaking and not eighty as claimed by you.

Please be advised that unless by the 1st of April next you fully satisfy the Dominion Lands Agent at Lethbridge, by statutory declaration or otherwise, you are again in residence with the intention of completing the duties necessary, you will leave your entries liable to cancellation.

The Inspector stated that he had called on several people living near the land and all stated that Mr. Lannon had not resided on his land since the 1st June 1917.

Mr. Lannon was called upon to make application for patent for his homestead within thirty days but to date he has failed to do so. It should be noted also, that nothing has been paid on account of the purchase price of the pre-emption.

In view of the above circumstances it is suggested that you direct to give a further period of forty days to notify for patent for his homestead and to state his intentions with regard to his pre-emption.

Referring to the cancellation proceedings outstanding against your homestead and pre-emption entries for the above land, I am to point out that a Homestead Inspector who visited this land states he has been unable to find any evidence that you have resided on the land since June, 1917. It would appear, however, that you are in a position to make application for patent for your homestead, the south east quarter of section 16, Township 23, Range 4, West 4th Meridian.

Under the circumstances, it has been decided to allow you a further and final opportunity of retaining this land. The cancellation proceedings will be held over for a period of thirty days from this date on the understanding that within that time you will appear with your two witnesses before the Agent of Dominion Lands at Lethbridge or the Sub-Agent for the district and make application for patent for your homestead. At the same time you are requested to satisfy the Agent that you have remained the performance of residence duties in connection with your pre-emption or in lieu thereof, furnish satisfactory evidence as to the residence which you have already claimed in connection with this entry.

Please note that this is a final notice and your failure to comply with the requirements of the Department as above outlined, will result in the summary cancellation of your entries at the expiration of the thirty days allowed you.

POSTING OF LAND, OTHER THAN SOLDIER SETTLEMENT LAND.

Lethbridge, Alta., 4th February 19 24

Notice is hereby given that after the expiration of 10 clear days from the date hereof, that is, on and after the 15th February 1924 the S.E. ¼ of Section 18 Township 23 Range 4 West of the 4th Meridian will be available for entry, providing the land is of the class suitable for farming and is unoccupied, as follows:-

(1) On the day above mentioned, that is on the morning of the 15th February (Entry in person or by proxy.)

By a settler as defined by the Soldier Settlement Act, eligible to make entry, who holds an adjoining quarter section under homestead or Soldier Grant entry, or who obtained homestead patent for such adjoining quarter section and is not the owner thereof, or was a squatter before survey on such quarter section.

(2) On the following day, that is on the morning of the 16th February (Entry in person or at office of Agent or Sub-Agent.)

For ordinary homestead entry by returned soldiers who have served Overseas and who produce an honourable discharge.

For soldier grant entry by any "settler" as defined by the Soldier Settlement Act upon production of Attestation Certificate or other proof as specified after which the Soldier Settlement Board will consider eligibility.

If after one day has been allowed for priority of entry as above and the succeeding day is a non-business day, then the next day, that is, on the morning of the 18th Feb. (Entry in person or by proxy.)

By general public including civilians and returned soldiers.

Any person who is desirous of making entry must view the land personally before making his application, and satisfy himself that there is no one in occupation, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry unless by proxy, may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed. In such a case the proxy will require to appear personally at the office of the *local Agent* not Sub-Agent.

No fee is charged in connection with a soldier grant.

The entry fee if taken as a homestead will be $10.00. According to evidence on file in this office there are improvements upon the land stated to be worth $ 845.00 on S.½ 18-23-4 W4.

PAYMENT FOR IMPROVEMENTS.

Before a person is granted entry for a homestead or a Soldier Grant, he *shall declare what improvement*, if any, there are upon the land for which he applies, *and pay* to the Agent or Sub-Agent *the full amount of its valuation* of such improvements. Should he fail to make such declaration his entry shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over $25.00, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

PAYMENT OF INDEBTEDNESS CHARGED AGAINST THE LAND.

The following indebtedness is charged against this land: $103.11 & Int. If the amount collected for improvements is not sufficient to make up this indebtedness, the applicant for entry is required to pay the full amount of indebtedness.

Agent Dominion Lands.

Postmaster at Spannymoor, Alta.

ELIGIBILITY FOR SOLDIER GRANT ENTRY:

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:—

(1) of Canada—and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,

(2) of his Majesty or of any of His Majesty's Allies—and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,

(3) of his Majesty or of any British Dominion or Colony—and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force, or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

No Soldier Grant Entry shall be made to any settler who,—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers.

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS.

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the morning of the following day:

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Ottawa, 27th June, 1952.

Dear Sir:

Re: S.E. 18-23-4-W.4th.

This Department has an old account against the above noted land for advances of seed grain and relief to Wm. Thos. Lannon in 1915 and 1916. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Yours very truly,

Encl.

C.K. LeCapelain,
Chief, Lands Division.

J.H. Todrick, Esq.,
Supervisor, Special Areas,
Dept. of Municipal Affairs,
EDMONTON, Alberta.

This parcel is unalienated crown land occupied at present under a long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing.

re: Account of Mr. Thomas Lannon
S.E. 18-3-4-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1935 seed grain and relief amounting to $103.10 were advanced to Mr. Thomas Lannon on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 103.10	$ 187.64	$ 290.74

The S.E. 18-3-4-W4 was formerly the homestead entry of the debtor on which security he obtained advances of seed grain and relief in 1935. His entry was cancelled on the 16th of September 1943 and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionaire of the 27th of June 1952, J.H. Tedrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote us follows:

"This parcel is unalienated crown land occupied at present under a long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advances. Under the circumstances it is recommended that the balance of the indebtedness be cancelled.

Mr. Wensmann at first requested that he be given a complete discharge of this indebtedness, upon his delivering 400 bushels of wheat, but after a good deal of correspondence we arranged that he should offer $325.00 as in full settlement of the balance outstanding, of which he paid $300.00 in December last, and this was sent direct to the Seed Grain & Relief Branch under date of 15th of December.

In our investigation we found that Mr. Wensmann is in very poor health and it was necessary for him to undergo an operation in the Lethbridge Hospital where he was confined for some length of time this winter.

I enclose herewith our cheque #6299 in the sum of $325.00 which he agreed to offer in full settlement and which we unhesitatingly recommend be accepted as in full settlement of the claim.

Yours truly,

Director.

Dear Sir:-

Re: August Neumann, Milk River, and the
E.½ of 4- 2- 1-4.

This party applied to us for an adjustment of Seed Grain and Relief indebtedness, in October last, and upon investigation we found that he has been operating in the Milk River district for the past sixteen years, and has suffered the frequent crop failures, as have been so common throughout this district. He has a family of nine children to provide for and consequently had been unable to make any provision for the payment of his debt in full. Last found conditions somewhat more favorable and he harvested a fair crop threshing some 3000 bushels, but as the assessed taxes were badly in arrears, and to protect the land, it was necessary that these be paid in full. There was also a first mortgage originally of $3200.00, which had become badly in arrears and amounted to approximately $4200.00. This mortgage was a prior charge on the land, but notwithstanding this the mortgagee agreed to write off the accrued interest amounting to something over $1,000. and accept a one-third crop share as payment on account of the principal.

He was also indebted to his bank in the sum of approximately $1,000.00 and settlement of this was arranged on the basis of their writing off the interest and reducing the principal debt to $700.00.

His indebtedness to the Department is represented by Seed Grain Liens:

Re: E. ½ 4/3/14/4. August Wensmann.

At a meeting of the Committee appointed under Order P.C. 2200, held on May 3, 1928, the attached report, dated March 19, 1928, from the Director, Debt Adjustment Act, was considered, and it was unanimously decided to recommend that the report be accepted and that the liens now registered against the said lands be discharged upon payment of the sum of $325.00.

In support of this Recommendation, the Committee states:-

That it is reported that the debtor is a hard working man with a family of nine children to support; that the 1927 crop was the first paying crop to be harvested in several years; that a satisfactory adjustment has been made of the other liabilities of this debtor; that fairly substantial payments have been made on account of these liens, including the sum of $300.00 paid in December, and that the additional payment of $325.00 now tendered, is a fair and reasonable amount to accept.

The Committee, therefore, recommends:-

1. That the sum of $325.00 be accepted in full settlement of the liens now registered against the said lands.

2. That this amount be divided pro rata, to Seed Grain Indebtedness $281.66, and to Relief Indebtedness, $43.34.

3. That the amount to be applied on Relief liens be distributed:-

To Dominion Government (for principal)..... $ 21.67
To Provincial Government (for principal)... 21.67

$ 43.34

4. That the balance due for Seed Grain and Relief Liens be written off, and that the liens now registered against said land be discharged.

5. That any chattel mortgage security now held be discharged.

WHEREAS it is very much to the interest of the Dominion of Canada and the Government of the Province of Alberta to recognize that a serious situation exists in certain portions of the Province of Alberta, owing to the recent severe drought and consequent crop failure, and that the settlers in the areas affected are in many cases in need of certain relief by way of provisions and fuel, as well as fodder for animals.

AND WHEREAS the Governments aforesaid have undertaken to provide such relief to the said needy settlers affected on the terms and in the manner hereinafter set forth:

OTTAWA, 5th September, 1928.

DOMINION LANDS DIVISION
JAN 30 1929

Sir,-

S.E.¼ of Sec. 5, Tp. 62, Rge. 3, West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Berend Lievers, Esq.,

DOMINION LANDS ADMINISTRATION

Coy to A.D.L.Edmonton,
Re.No.190793.

OTTAWA, 23rd November, 1928.

Sir,-

S.W. ¼ Sec. 4 Tp. 62 Rge. 3 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Jacob Olthuis, Esq.,
Neerlandia,
Alberta.

No settler claiming the benefit of the provisions of the Order in Council of the 28th February 1917, and of these regulations shall be given credit in connection with his entry, by reason of his having been engaged in farming operations during the years 1917 or 1918, for more than two terms of residence of six months each, and any settler who is allowed the maximum credit in connection with his entry shall be required to show before his residence duties shall be deemed complete that he has performed six months actual residence either on the land held by him under entry, or in the vicinity thereof in accordance with the provisions of the Dominion Lands Act and regulations thereunder.

The provisions of this Order shall not apply to unpatented grazing entries, nor to any case in which the entrant is engaged in any other employment than actual farm labour.

Settlers claiming the benefit of the similar provisions with respect to cultivation under the Order in Council of the 28th February, 1917, referred to shall not be entitled to further reduction of the cultivation requirements in connection with their entries by reason of the provisions of this paragraph.

Office of the Chairman

MEMORANDUM:

OTTAWA - JUL 17 1930

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re: Larry Jensen,
N.E.¼ 18-84-21 W.5th Mer. (Hsd.)

The above-described land is the unpatented homestead of this settler.

Subsequent to the initial loan approved in his favour in November, 1923, the settler secured advances from the Board amounting to $4249.00, as follows: land, $2500.00; stock and equipment, $1296.50; permanent improvements, $228.50; special advances, $224.00. As security the Board holds a charge on the settler's homestead. The only other land security held by the Board in this case is title to the N.W.¼ 18-84-21 W.5th, which the settleris purchasing from the Board under agreement for sale.

The Board is informed that the settler has completed the duties in connection with his homestead, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Acting Commissioner of Dominion Lands to the settler, dated the 7th June, 1930.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1821, enable the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the N.E.¼ 18-84-21 W.5th, be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Soldier Settlement Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to the date of entry for his homestead.

A Vesting Order for signature is attached hereto.

The Honorable Charles Stewart,

MEMORANDUM:

Request for Transfer of Dominion Lands.

Re: Leodis Bourassa, No. 2[illegible]14,
N.W.¼ 28-2-3 [illegible] Mer. - Sask.

The above named settler secured advances from the Board totalling $2[illegible]30, the Board taking a charge upon his unpatented homestead above described. Owing to such charge, patent to the homestead cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Bourassa requesting that patent to his homestead should be issued in favor of the Board. Mr. Bourassa states that he has completed all duties in connection with his homestead and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the settler, dated September first, 1926.

In order to enable a settler to negotiate a sale of land in cases of this character, special regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1924, P.C. 1021, which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under theprovisions of these regulations, the Board hereby requests that the right, title and interest of His Majesty in the N.W.¼ 28-2-3 W.5th Meridian be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

Memorandum:

Request for transfer of Dominion Lands under Section 27 of the Soldier Settlement Act.

Re: George Fear,
S.E.¼ 24-63-22 W. 4th (S.C.)

The above-described land was secured by this settler under soldier grant entry. The settler has made default in the terms of his agreement with the Board and abandoned the land. His agreement has been rescinded.

The settler was established with a loan in April 1919 and in due course secured advances from the Board amounting to $972.40, as follows: permanent improvements, $126.40; stock and equipment, $779.35; special advances, $66.15. As security the Board holds a charge on the settler's soldier grant. The Board holds no other land security in this case.

In June 1923, it was reported that the settler had been working out for about eighteen months in the coal mines. The settler never returned to the farm, except for short periods and it was necessary for the Board, therefore, to institute adjustment proceedings. Thirty Day Notice was served on the settler on the 19th March, 1928, to which no defence was filed.

The settler's indebtedness is $747.87. The soldier grant was appraised in March 1928 at $495.00. No arrangements have been made for the disposal of this land and no offers have been received.

The land in question being charged land within the meaning of Section 27 of the Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of his agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the above land be forfeited and the said right, title and interest of the settler and also the right, title and interest of His Majesty to and in the said charged land be vested in the Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Soldier Settlement Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to his having obtained entry for his soldier grant.

A Vesting Order for signature is attached hereto.

W. W. Cory, Esq., C.M.G.,
Deputy Minister of the Interior,
OTTAWA.

Chairman.

made by the Board found and determined that the settler has made default as hereinbefore recited and that the right, title and interest of the said settler to or in the said charged land should therefore be forfeited.

WITNESSETH that the undersigned pursuant to the powers and authorities conferred upon him by said section 27 hereby declares the right, title and interest of the settler in the said lands as well as the right, title and interest of His Majesty therein except Mines and Minerals whether solid, liquid or gaseous, shall be and the same are hereby vested in the Board.

MEMORANDUM : -

Ottawa 9th March, 1914.

Mr. K. E. Hume.

With reference to your memorandum of the 6th instant, hereunder, respecting the fractional N. ½ of Section 16, Township 71, Range 2, West of the 6th Meridian, I beg to state that this land is vacant.

The land, according to the township plan, is intersected by the Vimonette River, leaving 102.9 acres, on the East, and 37.7 acres on the West. The portion East of the river adjoins the applicant's homestead, but, as it contains more than 80 acres, it does not, as you are aware, come under the regulations respecting the sale of fractional areas.

The attached sketch shows the position of the lands in question.

Memorandum:

Frac. N. W. ¼ 16--71--2, W. 6th M., lying east of the river, containing 102.9 acres and shown on the attached sketch hatched in red.

F. C. G. Mead, the homesteader of the N. E. ¼ of the same section, shown on the sketch outlined in red, applied to purchase the parcel in question, being advised that his application could not be entertained, no Dominion Lands being for sale except as pre-emptions, purchased homesteads and where small fractional areas of eighty acres or less are disposed of to the owners or homesteaders of land adjoining (your decision as contained in your memorandum of the 25th June last, marked).

In his letter of the 6th ultimo, hereunder, Mr. Mead renews his application and requests further that, if the same cannot be granted, the Department authorize the Agent of Dominion Lands at Grande Prairie to exchange his homestead entry for the said fractional N. W. ¼, lying east of the river, pointing out in this connection that, if he abandons his homestead to enter for the land under consideration, he may lose both.

Mr. Mead also states that he would be satisfied to be permitted to purchase one-half of the said fractional N.W.¼ and that Major Griesbach had written on his behalf. If Mr. Mead is permitted to exchange his homestead entry for the land in question

Department of the Interior,

LAND PATENTS BRANCH,

Ottawa, 6th March, 1914 191

MEMORANDUM:-

I beg to return Ref. 1137, and to state that, while the Agent of Dominion Lands at Peace River granted homestead entry to Mr. A.E.C.McDonnell, Superintendent, R.N.W.M. Police, for the S.W.¼ 7-[illegible]-21, West 5th Meridian, he had no authority to grant entry therefor as this quarter section has not yet been surveyed, although within a township many of which has been made available for entry.

Mr. McDonnell applies for a free grant of the said quarter section, and in submitting his application states he has served thirty three years in the R.N.W.M.Police, and that he was actively engaged during the Rebellion of 1885 with Steel's Scouts; that "it seems hard after having fought side by side with members of the same corps who received scrip, to be refused, simply because I was a member of the Mounted Police."

He asks that if a free grant cannot be made of the land in question, he be given the privilege of purchasing it.

There is no authority under which a free grant of the land could be made to Mr.McDonnell, and it would be contrary to the practice of the Department to dispose of the land in question by sale.

Respectfully submitted,

W. W. Cory, Esq., C.M.G.,
Deputy Minister of the Interior.

On the 4th of February, 1915, the following letter was received from the Department; by the Agent Dominion Lands, Grouard.

S.W. ¼ of 20-83-21 West 5th M.

Kindly make a careful note in your records that no action is to be taken with a view of cancelling the homestead entry of Supt. Albert E.C. McDonall, R.N.W.M.P., Athabaska, Alberta, for this quarter section without first referring to Head Office."

SGN. F.Nelson.

On the 19th February, 1915, Mc. McDonall received the following letter from the Secretary, Department of the Interior:

RE S.W. ¼ 20-83-21 West 5th M.

" Referring to your letter of the 7th of December last, I beg to say you cannot be considered as entitled to the protection of your homestead entry above described under the recent ruling respecting the protection of entries of entrants who enlisted recently with the Force for a term of one year.

The Dominion Lands Agent at Grouard has been requested to report the matter here before taking any action with a view to the cancellation of your entry."

On the 19th February, 1915, the Comptroller of R.N.W.M.P. at Ottawa, was notified that Supt. McDonall's application for protection could not be granted.

On the 9th of June, 1916, the Department wrote Pte. F.L. Gracey, 196th Battalion, stating that Mr. McDonall had been granted entry for the land, and that when making entry he did not state that there were any improvements on the land, and he did not say anything about the land being occupied. In view of this, a Homestead Inspector was asked to make a report in connection with the breaking, residence, improvements and cultivation done on the land.

Mr. McMullin was asked to make the above report on the 22nd of June, 1916, and the report was made on the 20th November, 1916, and was forwarded to Head Office on the 22nd of November, 1916.

Sir:-

I beg to acknowledge receipt of your letter of the 14th instant, Reference 3 10 1168Temp. asking for a synopsis of the file in connection with the South West ¼ of 20-83-21 West 5th Meridian, and I would state as follows:

"Entry was granted to Albert E. C. McDonell for the above mentioned land on the 12th of January, 1914, at the Dominion Land Office at Grouard, Alta. which according to evidence on file land was not open for entry, as it was not surveyed. The Agent at Grouard stated that on account of the Preliminary plans did not state in the case of fractional areas whether they were surveyed or not, and consequently he presumed them to be surveyed, and granted entry to Mr. McDonall. This advice was contained in a letter to the Department dated 11th of April, 1914.

On the 16th of June 1914, Mr. Albert E.C. McDonell received instructions from the Department, that his entry was to be protected until the 12th of January, 1915, and he was by that date to satisfy the Agent Dominion Lands at Grouard that he was a bona fide resident on the land, and prepared to comply strictly with the regulations.

On the 1st of September, 1914, Mr. F. S. Gracey write to the Agent at Grouard, asking for information regarding his claim to the land and was informed that no information had yet been received from the Department regarding his claim. I might state that Mr. Gracey's letter does not appear on the file here.

Mr. McDonell wrote to the Agent Dominion Lands, at Grouard, under date of the 7th December, 1914, stating that he had written to the Secretary, Department of the interior at Ottawa, asking that his entry be protected until the 12th of July, 1915, as owing to the war he was unable to comply with the regulations, and asking the agent to protect his entry in the meantime. MEMORANDUM

S.W.¼ of 20-83-21-W.5th M.
Homestead of A.E.J. McDonell.
Entry granted 14th Jan., 1914.

This entry was granted before the survey of the land had been properly completed.

Again, after entry had been granted Mr. McDonell, Mr. F. L. Gracey put in a claim to the land as a squatter.

The case was submitted on the 16th March, 1917, at which time the original papers were missing.

A memo received from the Deputy Minister dated 16th March, 1917, reads as follows:

"The following is a copy of a memorandum addressed to you on the 3rd ultimo:-

'Kindly note that no action is to be taken 'with a view to cancelling the entry of Supt. Albert 'A.E. McDonell, R.N.W.M.P., Athabaska, Alberta, for 'the SW¼ of 20-83-21-W.5th M., without first re-'ferring to this office.'

"A special effort should be made to locate the original file in this case."

The case was again submitted on the 22nd November, 1917, while the papers were still missing, and in connection the Deputy Minister issued the following instructions:-

"In connection with the entry of Mr. A.E.J. McDonell for the S.W.¼ of 20-83-21-W.5th Meridian, there does not seem to be any reason for cancelling this entry on account of the land not being surveyed,- nor would it be well to take any other action until the plan of survey has been completed."

The original papers have now been found and attached thereto is a report from Homestead Inspector McMullen dated 26th July, 1917, which sets out that Mr. Gracey was not then in residence nor had any residence been performed or improvements made.

Quotation from report:-

J. W. Greenway, Esq.,
Commissioner of Dominion Lands,
Ottawa.

"I find

"I find that t is quarter-section has been filed on by J.P.C. McConell and was inspected by me 20th November, 1916, Gracey has not been in the district for over 2 years."

In the report dated 20th November, 1916, referred to by the Inspector, it is set out that there was at that time upon the land, a log shack 12 x 14, tumbling down and of no value. Referring to the above, the Inspector stated:-

"The above described shack was erected by F.L. Gracy who squatted on this land. Mr. Gracy has not resided on it or been in the vicinity for the last two years. The shack is of no value at the present time. I could not ascertain what residence duties Mr. Gracy performed, if any, owing to his absence from these parts."

In view of the foregoing it would not seem that Mr. Gracey has any claim to the land which the Department should recognize.

A report has now been received from the Agents which reads as follows:-

"The preliminary plan (4th edition) of Tp. 63-1-5 was sent to the D.L.S. at Peace River Crossing on the 4th ultimo. The only lands not already dealt with in the N.W.¼ of the Tp. are the S.E.¼ of sec. 20 and all of sec. 21. These lands will be made available along with others in the township on the 20th inst.

At the time Mr. McConell was granted entry, he was an Inspector in the R.N.W.M.P., and according to Inspector McMullen's report of the 28th July, 1917, up to that date performed no settlement duties.

Under the circumstances, it would seem advisable to ascertain from the Comptroller of the R.N.W.M.P., whether Inspector McConell is still serving in the force before deciding whether cancellation proceedings should be instituted on the ground of non-performance of duties.

Respectfully submitted,

PEACE RIVER

J.E. Carson Esq.
Agent, Dominion Lands
Peace River, Alberta.

Sir:-

Replying to your letter of the 27th ult., file No. 2524, regarding my homestead, the S.W. of Section 20, Township 83, Range 21, West of the 5th Meridian.

I beg to state that I made entry on this homestead while a member of the R.N.W.M.Police. On the 1st of March, 1917, I was permitted to retire to pension from the R.N.W.M.Police, for the purpose of accepting the position of Superintendent of the Alberta Provincial Police, on organization, with Headquarters at Edmonton, which position, I resigned on the 1st of May, 1918, and accepted the Position of Inspector Commanding "E" Division, Alberta Provincial Police, with Headquarters at Peace River, which position, I am now occupying.

On moving to Peace River, in May, 1918, to build and establish residence on my homestead, I found, on my arrival here, that the wagon road was not complete, and the homestead was inaccessable, but as soon as the road is completed, I will be prepared to establish residence on it, and I would request that the time be extended, for my living on the land, until the road is completed.

I would point out, that the land on this homestead is not suitable for agricultural purposes, and would request permission from the Department to purchase this homestead, if the Department does not approve of this, I would request to be permitted to prove up the home tead under the Live Stock Law.

I would also point out, that I have thirty seven years service in the R.N.W.M.Police, joining as a Constable, and retiring with the rank of Superintendent, serving during the rebellion in 1885 with Steele's Scouts, receiving the medal and two clasps for same, but not the land grant. The Police were not given the land grant, although we fought side by side with the Volunteers, who received the land grant.

I am a Canadian by birth, as was my father before me. I am the father of eight children, six boys, and two girls, all of which I have to provide for. I have never had a homestead, and I consider that I should be given every opportunity to enable me to hold this land, and I consider my request reasonable, and ask that the same be granted.

I have the honor to be,

The Secretary,

The Department of the Interior.

Ottawa.

Dear Sir,

re N.E. 4-54-19 W. 4th.

Homestead entry was made by the late David Avrell for the above described quarter section on the 21st September 1903.

Before the improvements on the land were made Mr. Avrell died and administration of his Ontario Estate, from where he came, was taken out by his widow, Mrs. Mary F. Avrell. Mrs. Avrell subsequently came to this Province and has recently completed the homestead duties and to-day attended the Dominion Lands Office to make a plication for Patent, but on account of her being unable to produce to the Dominion Lands Agent here Letters of Administration of her husband's Alberta Estate she was not allowed to make the application.

We would be pleased to know if a certified copy of Letters of Administration of the estate in the Province of Ontario will be sufficient for your Department to issue Patent to Mrs. Avrell as personal representative of the deceased, or do you insist upon Letters of Administration being taken out

We shall be much obliged if you will kindly give this matter your attention and let us hear from you in due course.

Sir,

N.W.T., 4-54-19, W.4th M.

I beg to acknowledge the receipt of your communication of the 2nd instant, with reference to the above land, the homestead of the late David Averell, wherein you state that Letters of Administration in connection with Mr. Averell's estate in Ontario have been taken out by the widow, and you wish to be informed what further would be required in order to deal with the said land.

In reply I am to say that before these Letters of Administration taken out in the Province of Ontario can be accepted in the Province of Alberta, wherein the land in question is situated, it will be necessary to have them re-sealed in the latter Province.

From the above you will note that it is not necessary to take out new Letters of Administration, a properly certified copy of the Letters already granted being sufficient, providing, of course, that they have been re-sealed in the Province wherein the land is situated.

Memorandum:

Application to Purchase.

Application of W.C. Freeman to purchase the frac. N.W.¼ of 23--59--12. W. 4th M.. lying west of lake. containing 45.3 acres. shown on the attached sketch. outlined in green. situated 3 miles west of Ashmont. Alberta.

I beg to submit for your consideration, the application above referred to. The land applied for is available according to the Departmental records, and the applicant, in January last, obtained homestead entry for the fractional S.E.¼ of the same section, containing 89.8 acres, shown on the sketch outlined in red.

The Homestead Inspector, in his report hereunder, states:

"Not being permitted to refer to the Township plans in Edmonton. I have no idea of the area of this fraction as shown on the plan but the water has receded considerally since land was surveyed. The fraction may be 3 times as big as it was then. This is mostly hay land or 2/3 of it. I think.

This land should be worth $ 5.00 per acre. I would recommend the application of Mr. Freeman, also the sale to him. The settlers of the North, East and South side of the lake have dug and deepened the outlet of this lake of about 3 feet for a long distance. This is how the fraction would be so larger today than it was at the time...

N.O. Cote. Esq., I.S.O.,
Controller.

DEPARTMENT OF THE INTERIOR

that the said fractional N.E.¼ contains 65 acres only. I may say that, as intimated in my letter of the 20th Jun last, according to the returns of a re-survey of the land the same comprises, as set forth above, 100.2 acres and the Department has, therefore, no alternative other than to be governed by the area as shown according to said re-survey.

Your obedient servant,

Controller.

Copy for A.D.L., Edmonton, Ref. 190855.

Madam,

Adverting to your letter of the 27th February last relating to your renewed application on behalf of your husband to be permitted to purchase the fractional N.E. ¼ of Section 21, Township 58, Range 12, West of the Fourth Meridian, I beg to inform you that the Minister of the Interior, the Honourable Arthur Meighen, has directed that as a special case Mr. Freeman may be permitted to purchase the said fractional quarter section, containing 109.2 acres, at the Homestead Commissioner's valuation of $7.00 an acre.

The sale will be subject to Mr. Freeman completing title to his homestead entry covering the fractional N.E. ¼ of the same section and should, therefore, his entry be cancelled for non-fulfilment of the homestead conditions, any money paid on account of the purchase will be forfeited to the Crown.

Either the whole of the purchase money should be remitted to the Agent of Dominion Lands, Edmonton, to whom a copy of this letter is being sent for his information, on or before the 1st proximo, or one-fourth of the amount within that time limit and the balance in three equal annual instalments with interest thereon at the rate of 5% per annum.

The Soldier Settlement Board. S.S.B. FILE NO. 4-597.

Canada.

OTTAWA, 14th January, 1924.

THE HONOURABLE CHARLES STEWART,
Minister of the Interior,
O t t a w a.

MEMORANDUM:

Request for Transfer of Dominion Lands.

RE: Hollis C. Freeman, #100223.
Frl.-S.E.¼ of 23-59-12-W.4th.M.(Vd.)
Frl.-N.E.¼ of 23-59-12-W.4th.M.(S.S.)

The above named settler secured advances from the Board for permanent improvements and stock and equipment totalling $1125. the Board taking a charge upon his unpatented homestead and soldier grant above described. Owing to such charge, patent to the homestead and soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Freeman requesting that patent to his homestead and soldier grant should be issued in favour of the Board. Mr. Freeman states that he has completed all duties in connection with his homestead and soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the memorandum from the Deputy Commissioner of Dominion Lands to the Board of the 7th of December, 1921, and letter from the Secretary of the Department of the Interior to the settler of the 30th of August, 1923, copies of which are attached hereto.

In order to enable a settler to negotiate a sale of land in cases of this character, Special Regulations were promulgated by the Board, as approved by the Governor in Council on the 4th day of June, 1921, (P.C. 1021) which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the Frl. E.½ of 23-59-12-W.4th.M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

CHAIRMAN.

The Soldier Settlement Board

File #3-34.

31032 60
32170 70

Canada. OTTAWA, 29th August, 1922.

Memorandum-

Re Request for Transfer of Dominion Lands under Section 7, of the Soldier Settlement Act.

Re. Carl H. Backman,
S.E. [illegible] 4th M. (Hsd.)
S.W. [illegible] 4th M. (S.J.)

The above-described land was granted by this Board under [illegible] entries. The settlement duties in the [illegible] Act [illegible] and the agreement has been [illegible].

The settler was [illegible] in June, 1919, and [illegible] as follows; [illegible]; stock and implements $[illegible]; 8 cattle, [illegible]. As security the Board holds a [illegible] the settler's interest in said grant. The Board holds no other land security in this case.

Until February, 1922, the settler appeared to be making a success of his [illegible]. He then advised the district office that he would have to give up farming on account of his wife's health as it was necessary that she should have a change of climate. The settler went to the States and after awhile advised the district office that he would not return to Canada. Under the circumstances the Board has no alternative but to rescind the agreement. The agreement was therefore cancelled by a Thirty Day Notice served on the settler on the 9th May, 1922, to which no [illegible] was filed.

The settler's interest will lapse to the Board on the 21st day, inst., by [illegible]. No payments have been made for the disposal of the land and no [illegible] have been received. The total appraised value of the said section is $[illegible], as follows - S.E. [illegible], $[illegible] - S.W. [illegible], $[illegible].

The land in question is now dumped [illegible] within the meaning of Section [illegible] of the Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of the agreement made with the Board, it is hereby requested that the right, title, and interest of the said settler in the above land be forfeited, and that all right title and interest of the settler, and also the right, title and interest of His Majesty in the said dumped land be vested in the Board.

[illegible] request for title is [illegible] by the recent amendment to Section [illegible] of the Soldier Settlement Act as all the advances were made to the settler after he had obtained his entries for his [illegible] and cultivation grant.

A Vesting Order for the Minister's signature is attached hereto.

[illegible]
Chairman.

The Honourable Charles Stewart,
Minister of the Interior,
OTTAWA.

made by the Board found and determined that the settler has made default as hereinbefore recited and that the right, title and interest of the said settler to or in the said charged land should therefore be forfeited.

WITNESSETH that the undersigned pursuant to the powers and authorities conferred upon him by said section 27 hereby declares the right, title and interest of the settler in the said lands as well as the right, title and interest of His Majesty therein except Mines and Minerals whether solid, liquid or gaseous, shall be and the same are hereby vested in the Board.

Dated at Ottawa this 18th day of September, 19 28.

Chas. Stewart.

DOMINION LANDS ADMINISTRATION

Copy to [illegible], Edmonton.
Ref. - 190830.

OTTAWA, 6th July, 1925.

Sir,-

I S.E. Sec. 17 Tp. 60 Rge. 24 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1926, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

[illegible]

OTTAWA, 4th August, 1928.

Sir,-

S.E. ¼ Sec. 16 Tp. 84 Rge. 22 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1930, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

John Bray, Esq.,

Memorandum:

Application of Capt. J. Fay to purchase fractional S.E. ¼ of 27--57--3. W. 5th M.
containing 1.3 acres.
Town of Cold Lake situated
thereon.
Situated 12½ miles from V.M.I.

Tp 57 - R 3, West 5th

I beg to submit for your consideration the application above referred to. The land is available according to the departmental records, and the applicant is entitled to patent upon payment of the sum fixed by the Order in Council of the fractional S.E. ¼ of the said section, shown on the plan coloured pink.

The Dominion Land Surveyor in his report of the 4th March, 1918, stated:

"In connection with the application of Capt. J. Fay to purchase the above described land containing 1.3 acres would recommend to be allowed to purchase the strip of land the a lake front at $4.00 per acre. While in the vicinity I was informed that the Provincial Govt. officials intend to run a road along the bank of lake which would almost take in all of this land but they may not do it. The water area is the same as former years, very deep right up to shore. This lake is noted for its trout and good fish, no waste or [illegible] land around it."

The parcel in question is now not affected by the road question and I beg to recommend that Mr. Fay be permitted to purchase at the said rate of $4.00 an acre upon his having filed evidence of ownership of the said fractional section 27, and paying a patent fee of $10.00 as the price of the land is less than $10.00 per acre.

Mr. Hume.

Re NW¼ 28-31-2 W4M.
Hd. A. Clark,
Date of entry-8th February, 1914.

Cancellation proceedings were instituted on the 2nd November, 1915.

In the statutory declaration of the 17th May, 1916, the entrant claimed to have erected a house, $100.00 and to have resided from the 4th December, 1915, to the 30th March, 1916. No other improvements.

Cancellation proceedings have been held in abeyance and the entry protected in view of the fact that the entrant enlisted on the 9th January, 1916.

The Agent submitted a letter from the Officer Commanding Military District No. 13, Calgary, Alberta, to the effect that this man deserted from the 175th Battalion on the 16th December, 1916.

The report from the Militia Department, however, dated the 30th ultimo shows that the entrant was absent without leave from his unit at the time of sailing and that he does not appear to have re-enlisted with any other unit of the Canadian Expeditionary Force.

The information thus far supplied by the Department of Militia although indicating that he is a deserter, does not show that he was struck off the lists and the question is whether or not any action is to be taken in connection with the cancellation proceedings outstanding against this entry until he has been dismissed as a deserter.

Sir,-

S.E. ¼ of Sec. 35 Tp. 77 Rge. 5 West 6th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1908, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Jeremiah Daniel Lnezevich, Esq.,

Obj;- There is marked crepitation in the left knee joint and very marked in the right where there is also some lateral movement the internal lateral ligament being the one involved. Both knees can be flexed equally to an angle of 120 deg. but the right pains when reaching this limit. There is no swelling in the right knee joint nor is there an abnormal quantity of fluid.

Section 10. History;- Injured his right knee in 1915, by a fall on the street but had no further trouble until one year after enlistment when he injured it by falling in a shell hole. Since that time he has never been on full duty as his knee always kept him in a lower category. The 27-9-18 he received a shrapnel wound over the right scapula which now causes no disability.

Reply to A.D.L.Edmonton,
Ref.181981.

OTTAWA, 7th January, 1930.

Sir,-

S.W. ¼ Sec. 28 Tp. 55 Rge. 10 West 4th Mer

Referring to your application for permission to file upon the above quarter section of land as a second homestead, I have to inform you that an amendment to the Dominion Lands Regulations has been made granting these settlers, who have already proved up, or who may become entitled thereto, the right to file upon a second homestead, subject to the same conditions as those governing the original homestead entry.

Therefore, if you are the owner of the patent for the quarter section of land mentioned, and this is the only land for which you have applied, you will be allowed to enter, free of fee, for the quarter section of land mentioned, subject to the usual residence and cultivation conditions, upon the expiration of three years from the date of your homestead entry, or sooner upon application for patent. You may enter for any vacant and available quarter section of land within fifty miles of the land patented, provided he is aware of no claim to the same.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead will only be permitted to make an entry in his own name in favour of a relative for the purpose of making an entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land entered under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Assistant Commissioner
of Dominion Lands.

MEMORANDUM:

Request for transfer of Dominion Lands under Section 27 of the Soldier Settlement Act.

Re: A. J. Hughes,
S.W.¼ 26-54-1 W.5th (S.S.)

The above described land was secured by this settler under soldier grant entry. The settler has made default in the terms of his agreement with the Board and abandoned the land. His agreement has been rescinded.

The settler was established with a loan in February, 1919, and in due course secured advances from the Board amounting to $3208.79, as follows: permanent improvements, $204.00; stock and equipment, $1969.35; special advances, $1044.79. As security the Board holds a charge on the settler's soldier grant. The only other land security held by the Board in this case is title to the N.E.¼ 22-54-1 W.5th.

This settler operated his farm until 1925, at which time he was reported as not being as reliable as in former years. In March of that year the Field Supervisor reported that the settler had a sale of his stock and equipment and the proceeds would be credited to the settler's account. It was further reported that on account of ill health he had been ordered by his doctor to move to another climate. The settler wrote to the District Office in March 1927 stating that he had been unable to do any work and could see no prospect of ever being any better. Adjustment proceedings were instituted and the usual Thirty Day Notice was addressed to the settler on the 22nd October, 1928, to which no defence was filed.

The settler's indebtedness to the Board amounts to $3990.33. Every effort has been made to dispose of the quarter-section to which we hold title but without success. This land was valued by our District Office at $700.00. The soldier grant was appraised in August last at $360.00. There is no land suitable for cultivation on this quarter and its only value is for pasture purposes. No arrangements have been made for the disposal of this land and no offers have been received.

The land in question being charged land within the meaning of Section 27 of the Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of his agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the above land be forfeited and the said right, title and interest of the settler and also the right, title and interest of His Majesty to and in the said charged land be vested in the Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Act, as $3839.29 of the advances referred to in the second paragraph hereof were made to the settler subsequent to his entry for his soldier grant.

A Vesting Order for signature is attached hereto.

I have the honour to acknowledge the receipt of your letter of March 11th. in reference to the original above subject, and in reply allow me to state that my predecessor received a Departmental letter dated 14th. July 1914, instructing him to cancel the following lands from reservation for Free Right of Way.

As you will kindly refer to the list that accompanied this letter you will see on the first page, that the N.E. 14th. numbers on that list are as follows;

N.W. quarter 34-77-19-W 4th.
North East "
South East "

In your letter of March 11th. 1915, you state that you had ordered us to reserve these lands this I would respectfully inform you is an error. The land was open for homesteading. The N.W. & S.E. was dealt with by my predecessor, but the N.E. was dealt with by myself, no consequent Free Right of way was not reserved through these three quarters.

The Edmonton, Dunvegan and British Columbia Railway Company have made application to purchase for townsite purposes, the North half of the North East quarter of Section 15, and the South half of the South East quarter of Section 22, Township 63, Range 27, West of the 4th Meridian, which are in Timber Berth No.1296, held under license by Mr. W.A.Charlton, M.P. The Railway Lands Branch ask that an inspection of these parcels be made, with a view to having them withdrawn from the berth. The Justice Department has ruled that the Department has power to withdraw from timber berths lands not containing a sufficient quantity of merchantable timber to make them commercially valuable, if required for townsite purposes, and I am not aware of any reason why the inspection should not be ordered, except that on the accompanying file, No.518975, pertaining to Berth No.1296, there is a memorandum from the Deputy Minister to the effect that no withdrawals are to be made from this berth for the present. To my mind there is not any use in ordering an inspection if the withdrawal is not to be made, even if the circumstances as regards timber

Nov.29th,1914.

Memorandum,- Mr. York,

As you are aware, the Edmonton Dunvegan and BritishColumbia Railway Company made application to purchase for townsite purposes the North half of the North East quarter of Section 15, and the South half of the South East quarter of Section 22, Township 62, Range 27, West of the 4th Meridian, which lands are in Timber Berth No. 1096, held under license by Mr. W. . Charlton, K.C. The applicants stated that there was no merchantable timber remaining on these parcels of land. We, however, instructed the Crown Timber Agent at Edmonton to take steps to have an examination made in order to ascertain whether, or not, they should be withdrawn from the berth.

The Edmonton Agent has just forwarded a report from Mr. Timber Inspector Merrigan, in which that officer states that, on the right bank of the Pembina River, on the North half of the North East quarter of Section 15 applied for, there are about 10,000 feet B.M. of timber, and across the river on the same parcel of land, about 20,000 feet B.M., making 30,000 in all in the 80 acres, and on the South half of the South East quarter of Section 22, also applied for, about 12,000 feet B.M. There is clearly not enough timber on the two parcels of land to make them commercially valuable as timber lands, so I am aware of no reason why they should not be withdrawn from Mr. Charlton's berth at the expiry of the usual sixty

Land Patents Branch

Ottawa, 15th August, 1913.

Gentlemen:

J.T. Mitchell, Esq.,
Private Secretary.

I beg to return your reference 1154. The delay in answering your reference which is much regretted was due to the fact that one of the files relating to the case was missing and was located only yesterday.

The proposed mill site of the Excelsior Lumber Company, Limited, on the Peshina River in which Mr. [illegible] Charlton, M.P., is interested is on land applied for in 1914 by the Dominion, Ontario and British Columbia Railway Company for townsite purposes. The land is the E. ½ of the [illegible] of section 15, Township 6, Range 17, West of the 4th Meridian. The townsite application also covers the adjoining [illegible] of the E. ½ of section 14. The Parvie Station grounds are on these two parcels, which lie both in Timber Berth [illegible] 6. 1155 held under license by Mr. Charlton.

If you can no doubt secure Mr. J. [illegible] Arthur Mitchell's request of the [illegible]. Ontario and British Railway.

The question of withdrawing the two parcels from the Timber Berth to make them available for townsite purposes was submitted to [illegible] Minister in November 1913, but no decision was arrived at. It is not possible to take any further action in connection with such application until the lands have been withdrawn from Mr. Charlton's Timber Berth. This matter was submitted in a memorandum dated the 24th November 1914 on file 511(06)b herewith. Further advice is awaited. I may say that applications for lands for mill site purposes are dealt with by the Natural Resources Intelligence Branch.

The application of Mr. J. [illegible], President of the Excelsior Lumber Company, Limited, for permission to place booms and piers in the Peshina River in the S.E. ¼ of Section 15, Township 6, Range 17, West of the 4th Meridian, in connection with their mills, operations was referred to [illegible] by the Timber and Grazing Branch and [illegible] recommendation.

[illegible] Controller.

timber berth has a clear right to build a spur line over land included in his berth in connection with his milling operations.

A.T.Cumming, President of the Excelsior Lumber Company, Limited, for booming privileges in the Peace River in the North-east quarter of Section 15, Township 83, Range 27, West 4th Meridian, Mr. Bailey of the Reclamation service advises me that he knows of no reason why this application should not be granted, but he points out that in order to make sure that the granting of the booming privileges asked for would not conflict with similar operations on the river being carried on by other Lumber Companies it will be necessary to have an investigation made. This application is being transferred to the Reclamation Service where official action in connection therewith will be taken.

Controller.

Memo

MEMORANDUM.

MR. GLIDDEN,
Land Patents Branch:-

Re L. of A., 15-03-27 .4t Yor.
S. of . ., 22

With reference to your memorandum of the 24th instant hereunder relative to the application of the Edmonton, Dunvegan and British Columbia Railway Company to purchase the above described lands for townsite purposes, I may say that the company applied for these lands on February, 1914, and later applied to have them withdrawn from the berth as they did not contain merchantable timber. It was decided, however, to let the matter of their request to have those lands withdrawn from the timber berth stand for the present. As this application is still standing in the records of this Branch I am of the opinion that it should be considered in the event of the lands being withdrawn from the berth.

Assistant Superintendent.

this berth for the present. It was decided to take no action for the time being.

Following are extracts from Mr. Cushing's letter of application:-

"The land is located in Block One of "Timber Berth 1296. The Hon. W.A.Charlton, "the Licensee of the Berth, has sold the "timber on this Block to the Excelsior "Lumber Company, Limited, and he consents "to this application being granted.

"The Company have erected a sawmill "on the land with a capacity of 35,000 "feet of lumber per day, and have erected "offices, houses for the men, store and "storehouses, and are laying out and "are making a lumber yard for the purpose "of milling and sorting lumber.

"The Company have also made application "to place booms and piers in the bed of a "River at this place for the purpose of "storing and holding their logs, and have "also made application for a spur to connect "the lumber yards with the Edmonton Dunvegan "and British Columbia Railway.

"Owing to the sweeping curve of the "Peace River at this place, and to the "Railway Right of Way and Yards of the "Railway Company passing through this land, "all the land applied for is necessary "for the successful carrying out of the "operations of the Company."

The application for booming privileges, referred to in the second last paragraph of the foregoing quotation, was referred to the Reclamation Service by this Branch to deal with in August last.

The railway company has not communicated with the Department recently respecting its application, the last communication on file being a letter dated the 3rd September, 1914, which does not appear to have been replied to. According to the correspondence on file the railway company was never given any assurance that its application would be entertained in the event of the parcels being withdrawn from the Timber Berth. The Department's reply to the application did not go any further than to state that the lands applied for were included in the Timber Berth held under license by Mr. Charlton, but, as already pointed out, the Agent of Dominion Lands was instructed to reserve the lands for the railway company in the event of their being withdrawn. In this connection it might also be observed that the Dominion Lands Regulations provide that an application made for land under reservation or land unavailable for any reason does not give the applicant any prior right with respect to such land in the event of its becoming available. However, it may be considered that the question of public interest should be borne in mind when considering the disposition of these parcels of land. If a station has

been.....

been erected at this point by the railway company it might be found upon investigation to be in the interest of the community to grant the application for a townsite. If the merits of the application of the railway company are to be enquired into it might be deemed advisable to acquaint such company with the fact that an application has been received from the Excelsior Lumber Company, Limited, to acquire the land for a mill site etc. and to afford it an opportunity to give reasons why a townsite is desirable at this point.

Of course the lands in this came [illegible] to be inspected and valued by a Homestead Inspector before being sold. As you are aware under the practice no land is sold for mill site purposes under $10.00 an acre.

In August last a report was submitted to the Minister's Private Secretary in connection with his reference No. 1164 on the subject of the proposed mill site of the Excelsior Lumber Company.

I would suggest that Mr. York be requested to state his views with regard to the application of the lumber company before the matter is submitted to the Deputy Minister.

Application is made by Mr. Arthur F.Canning of Edmonton on behalf of the Excelsior Lumber Company, Limited, to purchase 110.8 acres of land at Jarvie, Alberta, above described, for the purposes of a site for a saw mill, lumber yard, offices, office, store and other buildings necessary in connection with the carrying on of lumber operations.

The lands applied for are included in Timber Berth No. 1396 held under license by Mr. [illegible]Carlton, [illegible]

With the exception of an area of 7.4 acres in the [illegible] subdivision 3 of Section [illegible] the lands above described were applied for in 1914 by the Edmonton, Dunvegan and British Columbia Railway Company for townsite purposes and the Agent of [illegible] Lands at Edmonton was advised on the 7th March, 1914, to reserve the lands for the railway company in the event of their being withdrawn from the timber berth.

Inquiry was made of the Natural [illegible] as to whether or not that Branch would have any objection to offer to a sale being made to the lumber company of the lands being released from the berth; and the Assistant Superintendent replied that as the application from the railway company was still standing in his records, it would be considered in his office in the event of the lands being withdrawn from the berth.

Following representations made by the Edmonton, Dunvegan and British Columbia Railway Company, it was decided, but there was no merchantable timber resulting on the lands in question, the Crown Timber Agent at Edmonton was instructed in September, 1914, to have an examination made of the lands to ascertain whether or not they should be withdrawn from the berth. The report from the Timber Inspector was received and it revealed the fact that there was not enough timber on the area to make them commercially valuable as timber lands. Mr.York reported as follows to the Deputy Minister in this connection:- "I talked under the circumstances with [illegible] and there is a "chance of [illegible] withdrawal should be made. M.O'Connell: Mr. Hidden,
Land Patents Branch.

Referring to your memorandum below of the 3rd instant in which you ask for an expression of my views regarding the application of the Excelsior Lumber Company, Limited, to purchase certain portions of the north half of the north east quarter of Section 1, and the west half of the south half of Section 12, Township 63, Range 27, west of the 4th Meridian, for the purpose of a site for a sawmill, lumber yard, etc., I beg to say that this Branch has nothing whatever to do with the sale of mill sites, action in that connection being taken by your office. I may state, however, that the lands referred to are included in Block 1 of Timber Berth 1496, held under lease by C. H. A. Charlton, M.P., but it is being operated by the Excelsior Lumber Company, and while no assignment in favour of the Company from Mr. Charlton has been forwarded to the Department the probability is that the Company has purchased the same. Mr. Cahoon's memorandum would indicate that an inspection of these lands has been made by a timber inspector and that there is not sufficient timber thereon to make them commercially valuable as a timber proposition, and, in fact, the Department was about to advertise the limit affected from the north one-half of the licensee's sixty days notice.

The E.D. & B.C. Railway have a very good station at this point also water tank and coaling place.

Regarding the local situation there will at some time in the near future be a town at Jarvie. The country around is being rapidly settled and the town will at some time draw on quite a large country. The land applied for is the logical point for a townsite at Jarvie.

Information as to the situation of the buildings, etc., as submitted by the timber inspector, is also shown on the accompanying sketch. From this it will be seen that the principal buildings of the Lumber Company as well as the railway station are situated on that portion of L.S.16 lying west of the railway tracks.

As the two companies are apparently not able to come to an arrangement respecting their conflicting applications, I would recommend that the Agent of Dominion Lands at Edmonton be instructed to make a full report with a recommendation in the matter.

Respectfully submitted,

Superintendent.

THE DEPUTY MINISTER:-

N. of N.E.¼ 13-63-27-W.4th
E. of said 24-63-27-W.4th

With reference to your memorandum of the 26th instant hereunder, I beg to report that the Edmonton Dunvegan and British Columbia Railway Company made application on the 10th February, 1914 to purchase the above described lands for townsite purposes.

These lands were situated in Timber Berth No.1296 held under license by W.A. Charlton of Toronto. Following the Company's representations that there was no merchantible lumber remaining on the parcels in question a timber inspector was instructed to make an examination to ascertain whether or not they should be withdrawn from the berth. This report showed that there was not enough timber to make the land commercially valuable as timber land. It was decided, however, to take no action at the time with regard to withdrawing the lands from the berth.

On the 24th of February last the Company confirmed their application to acquire these lands for townsite purposes as soon as they are withdrawn from the timber berth.

About August last Mr. A.E. Cushing on behalf of the Excelsior Lumber Co. Ltd., made application to purchase all that portion of the above described land lying to the east of the Pembina River together with Irl. 3.3.2 of Section 22 - containing in all 113.8 acres - as a site for saw-mill, lumber yard and other buildings necessary in the carrying on of lumber operation. Hereunto is a sketch showing the respective lands applied for by the two Companies.

The Agent of Dominion Lands at Edmonton was asked to furnish a full report as to the local situation. Crown Timber Inspector Neilson's report, dated 1st April last, in this connection is in substance as follows:

Regarding present activities of the Lumber Company they are operating on T.B. No.1296 and have about 3,000,000 feet B.M. logs cut ready to float down the Pembina in the spring. On T.B. No.1296 they have only about two more seasons' timber in sight but may try to buy Government timber on Shoal Creek if it is a feasible proposition to drive logs in this creek. They have also the balance of T.B. No.1784, consisting of six legal sub-divisions, to cut out, their intention being to haul the logs from the berth by rail to their present mill site.

Sec. 24-53-23-4th mer.

With reference to your letter of the 15th April last, your file Nos. 807102 and 808066, covering a report by Timber Inspector Neilson in connection with the application of the Exelsior Lumber Company to purchase a portion of the above described land for mill sites and the conflicting application of the Edmonton, Dunvegan and British Columbia Railway Company to purchase the same land for terminals or depots, I beg to advise you that in view of the Inspector's report the Department is convinced that the whole of the land should be allowed sufficient land adjacent to the station to provide for station grounds and also to provide for stockyards and business men who may desire to locate at this point. However, it is considered advisable to have a full report with a definite recommendation in the matter either as to whether one of the applicants should be favoured in their application or as to such a division of the land as will be in the public interest.

Will you furnish this report at the earliest possible date.
